## **A RARE GEM JOINS THE SAINTS: Matriarch Comfort Uzoamaka Chime (Nee Eze)**

My heart is heavy, yet filled with profound gratitude to God for a life beautifully lived, as my beloved sister, Madam Comfort Uzoamaka Chime (Nee Eze), fondly called "CU King", joins the Saints in glory.

Born to our late father, Pa John Aneke Eze Ogbufo & Ma Susana; lived a long, impactful, and graceful life of almost a century, departing peacefully on 6th October 2025, just four days to her 99th birthday.

Ezinne, was a woman of honor & dignity, with deep faith in God. In her youthful days in Udi, she exhibited admirable strength of character, wisdom, commitment to family, faith, and unwavering service to humanity.

When fate took her beloved husband too soon, she courageously shouldered the burden of raising their six children single-handedly. With hard work, and motherly devotion, she nurtured them into responsible and accomplished individuals.

Her home was a sanctuary of love and hospitality; her words, a source of encouragement and comfort to many. Her gentle smile could light up even the darkest room.

Nneoma, was known for her humility, discipline, integrity and compassion. Her life was a shining example to all who crossed her path. She guided many of us with her gentle counsel, inspired everyone through the simplicity and purity of her heart.

Though her passing leaves a great void, we take solace that she has gone to rest in the bosom of the Lord. We will forever cherish her kindness and resilience, and the beautiful legacy she left behind will remain evergreen in our hearts.

Farewell, dearest sister!

Adieu, pride of our family!!
