CONDOLENCE MESSAGE

I received with deep sense of grief but with gratitude to God for a life well-lived, the news of the passing of your Matriarch, Ezinne (Asa) Comfort Uzoamaka Chime who joined her Creator at the ripe age of 99 years.

Asa, as She was popularly called - due to her engaging beauty and elegance- was a remarkable woman who will be remembered by all who came close to her for her unconditional love, kindheartedness, charity, humility and selfless services to humanity. Her positive legacies and contributions to family, Community and humanity will ever be cherished.

Though her demise has created a huge vacuum in your family, we urge you to take solace in the fact that She lived a happy and fulfilled life and now resting in the bosom of the Lord.

I therefore commiserate with you, on behalf of my family, the Udi Traditional Council and indeed, the entire people of Udi Ancient Kingdom of Enugu. May her gentle soul rest in peace.
