CONDOLENCE MESSAGE

My family and the entire members of Ezeigbo – in – Council, Kaduna do hereby commiserate with the entire family of Late Chief Davidson Okonkwo Chime over the call to glory of your beloved mother Ezinne Comfort Uzoamaka Chime whose demise and obsequies, though painful, shall be seen as a celebration of life, considering the fact that she died as a fulfilled Mother, Grandmother and Great Grandmother; having lived and left enduring legacies and footprints in the sands of time. She was blessed with enterprising, industrious and successful children among whom is Sir Chief Chika Ozor Chime OMEISE 1 of UDI Ancient Kingdom, who was my **Best-man** during my wedding and has remained my very good friend till date.

Ezinne C.U., you were really a beloved mother to many of us.

Your kindness and love and care for needy children knew no bounds.

Your wise counsel and encouragement was always there for us at No. 29 Onwudiwe St. Uwani Enugu. You made indelible impacts on the lives of as many as had contacts with you.

Posterity will forever remain grateful for your selfless service to God and humanity during your sojourn on this planet.

ASA C.U, I, my family and Council members will miss you. Our consolation is that you are gone to take a well-deserved rest in the bosom of our Lord. I pray that the Holy Spirit will comfort your family and grant us all the fortitude to bear this great loss in Jesus Name, Amen.

Jee Nkeoma, Ezinne C.U!
